**RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:**

Mr. Clarence Steven James was sentenced to 188 months, by the Honorable Odell Horton, for Felon in Possession of a Firearm. Mr. James was adjudicated as an Armed Career Criminal by the Court as a result of the instant offense and Mr. James' violent criminal history.

Mr. James was convicted on November 7, 1977 of several sexual offenses that occurred over a two year period of time. He was convicted of three (3) counts of Crimes Against Nature, one (1) count Assault & Battery W/Intent to Commit Rape, two (2) counts of Rape, one (1) count Assault & Battery W/Intent to Have Unlawful Carnal Knowledge, and one (1) count Assault to Murder, 1<sup>st</sup> Degree. After Mr. James was released from prison on these charges he was convicted in February 1989 of one (1) count of Sexual Battery.

In order to best supervise Mr. James during his term of Supervised Release, and to better protect the community and due to his extensive sexual offender history, the United States Probation Office recommends that a special condition be added to Mr. James Conditions of Supervision requiring sex offender counseling. The defendant has declined to sign a Probation Form 49, Waiver of Hearing for Modification of Special Conditions.

The United States Probation Office recommends the following special condition:

The defendant shall participate as directed in a program of mental health treatment, including a sexual offender treatment program, approved by the probation officer. The defendant shall abide by the rules, requirements, and conditions of the treatment program, which may include submitting to polygraph or plethysmograph testing, to aid in the treatment and supervision process.
